- Adobe XD
- Customer Service

PROJECT EXPERIENCE

Project Objective: Design and Build Base maps for the city of Mequon

- Search for multiple accurate sources to use as a start to design
- Communicate with project managers and field personnel to determine need for the design
- Design blueprint for multiple gas and electric services around the city

Result: Faster productivity for designers working on projects found throughout the city of Mequon

PROFESSIONAL EXPERIENCE

Pre-Designer

Kapur & Associates | May 2023 - August 2023

- Helped devise, design and execute many different projects found throughout Wisconsin
- Trained under a group of designers to create blueprints for gas and electric projects
- Trained other pre-designers in order to sharpen their skills in the company's software applications
- Handle confidential information and documents with discretion and maintain their proper organization

Server

The Mecca | August 2023 - Present

- Responsible for taking customer orders and ensuring customer satisfaction
- Successfully solved customer conflict and problems if and when needed
- Introduced customers to new menu items and successfully built and fostered customer relationships
- Worked alongside a team in order to ensure restaurant success

PROJECT EXPERIENCE

Volunteer

Voces De La Frontera | February 2018 - February 2019

- Helped organize and lead protests
- Advocated for social justice for the Latin community
- Provided administrative support, including answering phone calls, responding to emails, and preparing correspondence
